

# Data Sheet - **Lamborghini VX7SX**

## A New Shade of Luxury

### Thrilling power

Feel the speed and muscle of a 2nd generation Intel® Core™ i7 processor as it blazes through intense multitasking and high definition multimedia content. Energy efficient but supremely capable, the new VX7SX with Genuine Windows® 7 Ultimate represents the latest step in notebook PC evolution with a harmony of great power and delectable design.

### NVIDIA® GeForce® GTX 560M graphics with 3GB GDDR5 video memory

Tour the best looking PC games and graphics applications with the might of a discrete GeForce® GPU, native DirectX® 11 compatibility with the new generation CUDA architecture and a huge 3GB of speedy GDDR5 video memory. The VX7SX runs all the newest games in high detail and true HD with no compromise. Welcome to the fast lane!

### Official Automobili Lamborghini materials and design

Custom-designed to bring out the decades-long legacy of Lamborghini supercars, the VX7SX uses colors that are formulated in exactly the same way as their automotive counterparts for a genuine touch of high-octane luxury. Now in new and extra-durable carbon black, the VX7SX is also available in official orange and features many motifs from Lamborghini designs, including leather-trimmed palm rests, an engine start key, rear exhaust and taillight assembly, and the world-famous bull logo.
